Hi Peggy,

I met with Dr. Gilchrist and the Division Directors this morning. I requested that they submit signed copies of their completed QI projects to you to review and process for Mary's signature by the end of this week.

I remember reviewing the Reference Lab studies last week. Can you go through this list and let us know which ones you haven't received yet?

Thanks....Dina

Hi Dina,
Here is a listing of the QI projects submitted by the labs.
